

AUGUST 2014

NEW PRODUCT RELEASE

3 PIECE SHOVEL

Ironman 4x4 are happy to announce our new 3 piece shovel, a must have item to carry with you whenever you head out to the scrub.

Whether it's recovering your vehicle, building up a track or digging a fire pit the 3 piece shovel has you covered.

The 3 piece shovel is able to be changed between a long handled shovel and a short handled spade and includes a heavy duty storage/carry bag for easy, mess free storage.

Featuring:

- *CNC machined, 304 stainless steel joints*
- *Heat treated steel blade*
- *Steel reinforced PVC handle*
- *Cushioned 'D' handle*
- *Multi-core single-moulded steel*
