AMAROK**

The new Ironman 4x4 Volkswagen Amarok snorkel has been designed with ease of fitment, optimum airflow and vehicle aesthetics in mind. With an oversized snorkel body (4") your engine will breathe easier, ensuring maximized vehicle performance. Keep your Amarok air intake high and dry.

- Oversized 4" Snorkel body and ram head
- Raised direct air intake allows for a clean flow into your engine
 - Cooler air into the engine provides better performance
 - Increased air intake height allows for safe water crossings
 - Allows less dust into your air box and engine.
 - High quality Polyethylene (LLPDE) and UV resistant
 - Built in rain deflector design to stop water intake during heavy rain.

Part No. ISNORKEL037
